

**Montana  
Association of  
School Psychologists**

**School Psychologist of the Year  
Nomination Form**

The Montana Association of School Psychologists (MASP) School Psychologist of the Year Award is given to a MASP member who is a practicing school psychologist in a public or private school setting. It is given in recognition of outstanding performance in the delivery of school psychological services. These areas include, but are not limited to, assessment, counseling, consultation, prevention, crisis intervention, collaboration, diversity sensitivity, supervision, research, program planning and/or evaluation, etc. Candidates perform their jobs in an exemplary manner and have earned the respect of students, parents, teachers, school staff, administrators, and/or community members. Those who have benefited from this individual's efforts may include individual or groups of students, teachers, parents, administrators and/or the school system.

**NOMINATION PROCEDURES**

The Nominator must complete and/or obtain the following information:

1. Complete this Nomination Form
2. Complete a one to two page Nomination Statement indicating why this individual should receive this award
3. Obtain one page Letters of Support from at least three (3) but not more than five (5) individuals who support this individual's candidacy for this award
  - a. Three letters should be from the members of the Candidate's school system (students, parents, teachers, school staff, administrators, etc.)
  - b. Any additional letters can be from other individuals who are knowledgeable about the Candidate's abilities and skills
4. Mail all nomination materials in one envelope by the end of September to:  
Juliana Robinson  
129 River Dr.  
Livingston, MT 59047

The recipient will be announced at MASP's Fall Conference in October.
