## **Montana Association of School Psychologists Supervision Institute 2018**

March 23<sup>rd</sup> and May 11<sup>th</sup>, 2018  
Bozeman, Montana  
Bozeman Public Library

In relation to state licensing requirements and NASP standards, MASP, in collaboration with the Office of Public Instruction and the University of Montana, will be offering supervision training for experienced Class 6 school psychologists.

Successful applicants will have at least three years of full time experience and be willing to provide supervision to Class 5 school psychologists who are completing internships or a supervised professional experience within districts. All supervisors must be employed in a school setting and have a current Class 6 license in Montana.

This two-day course will be based on the 2010 NASP Practice Model and taught by members of the MASP Credentialing Review Board and faculty from the University of Montana's School Psychology program. Successful applicants will attend the two-day training and complete independent study activities related to coursework. Course materials are provided at no cost. Previous participants are welcome to reapply. Course attendees will be reimbursed for lodging and travel. Hotel accommodations have been arranged at the Element Hotel in Bozeman.

Application forms will be available on the MASP website:
