

39TH MASP SUMMER INSTITUTE PRESENTS

Peg Dawson, Ed.D

Improving Executive Skills to Promote School Success

The Montana Association of School Psychologists is excited to welcome Dr. Peg Dawson, author of the popular *Smart But Scattered* series. This workshop will provide participants with a framework for:

- understanding executive skills
- how they develop in diverse populations
- how to support these skills by embedding them into classroom routines and lessons
- tailoring interventions to meet the needs of individual students and classrooms.
